## YOUR VOICE IN THE GENERAL ELECTION

The St. Vincent de Paul Society ( SVP ) and CAFOD have worked together to prepare some material to help people to use their Catholic Voice in the run up to the General Election. A guide to helping parishioners to communicate with their MPs is available and will be shared in both hard copy format, in our Island newsletter and on our Anglesey Catholics Website over the coming weeks. We will also be sharing information on issues which might be of interest to individuals as an insert to our newsletter and as a pdf file to accompany the electronic version distributed to parishioners across the Island.

These resources may help people to ask the questions on the issues that matter most to them either by talking to MPs on the doorstep during canvassing, by e-mailing their MPs or when attending Hustings.

## VISIT TO SICK/HOUSEBOUND:
