### NEW DAILY MASS ROTA

Our daily mass rota for the island has had to be changed to a two week rota to take into account the fact that during the week we only have Fr Godfrey available to say mass. Fr Leo is away during the week working in his new role as

Treasurer for the Anglo Irish Province and Friday mornings are dedicated to ministering to our school community as Fr Godfrey's is now a Governor. We have planned the rota so that there is a mass in each parish area each week and this means that we have had to change the days that masses offered in some communities. It is also planned that visits to the sick will take place on these days and a priest will be available for house masses.
