Pope Francis has released his message for Vocations Sunday (Good Shepherd Sunday) in which he focuses on the theme: "Called to sow seeds of hope and to build peace". This is part of his message:

Dear brothers and sisters!

Each year, the World Day of Prayer for Vocations invites us to reflect on the precious gift of the Lord's call to each of us, as members of his faithful pilgrim people, to participate in his loving plan and to embody the beauty of the Gospel in different states of life. Hearing that divine call, which is far from being an imposed duty – even in the name of a religious ideal – is the surest way for us to fulfil our deepest desire for happiness. Our life finds fulfilment when we discover who we are, what our gifts are, where we can make them bear fruit, and what path we can follow in order to become signs and instruments of love, generous acceptance, beauty and peace, wherever we find ourselves.
