NOT JUST EASTER

The Easter Season isn't just Easter Sunday. It's fifty days long, and the last of those days is Pentecost on 5th June (Greek for 'fiftieth') marking the birth of the Church and the coming of the Holy Spirit. During these fifty days of Easter, we will be listening to the stories of the struggles and hardships of the early followers of Jesus.

FINAL NOTE: *As we have entered this most sacred time of Easter, may it be a time of blessing and joy, good health and happiness. We continue to remember too those for whom acute suffering has become part of their daily lives, especially the people of Ukraine as well as their families, friends and supporters throughout the world. May the peace and reconciliation brought by Christ's suffering and death be a reality for all people.*
