## ANGLESEY PASTORAL COUNCIL (APC)

**FINANCE** "The Island finance group have received the 2023 / 2024 Diocesan ratified accounts for the three parish areas on Anglesey. We will report to parishioners via the newsletter and from the altar as soon as we have discussed them. The group are also looking at newsletter production costs, centralising supplies and services and the Diocesan Levies"

**THIS SUNDAY 23<sup>RD</sup> JUNE 2PM: Formation for Partnership in Mission on Anglesey - Session 3, Oriel Mon, Llangefni.** Having looked at some Church teaching about our overall mission and purpose, the next two sessions will look more closely at exactly how we need to work together to make collaborative ministry a reality. Pope Francis' call to become a synodal Church requires us all to change the way we think and the way we act. If we don't spend time reflecting on this and looking at the detail of how we interact as lay people, as clergy, as pastoral councils, we're likely to slip back into traditional mindsets and roles.
