During the pandemic, members have been supporting people with phone calls and cards and practical assistance where possible. As more and more people are needing support now than ever, we hope to be able to attract more members in the coming months and will be sharing heart-warming stories and sharing ways in which you could become involved.

Meanwhile, if anyone is interested in finding out more about the work of the SVP in general, please visit : <https://www.svp.org.uk/> where you will find inspirational stories.

If interested in joining in with or supporting a local group (conference) or knows of anyone in need, please phone Sue Roberts on 07715 580251.

Finally – please consider supporting the St. Vincent de Paul Charity Shop situated on the High Street in Bangor (diagonally opposite the entrance to the Cathedral). The shop only opened just before the pandemic struck and will be in desperate need of support as soon as it opens up again. If you have any good quality, clean clothing, bric-a-brac, household items, books or CD's / DVD's and would like to donate items and are unable to physically get them to the shop and would like them picked up, please contact Sue Roberts (contact details above).

**Thank you for your generosity and ongoing support
